

Mulch Disclaimer

This organic material is a natural product made from the garden waste dropped off at Council's Resource Recovery Centre from Wattle Range residents and businesses.

The organic material available does not meet industry standards for a saleable mulch product and is therefore available at no cost.

The organic material may contain – plant seed, sharp and splintery objects, dusts and allergens. Council does not provide any guarantees and accepts no liability for any loss or damage to property, any economic or consequential losses, any injury or death of persons in connection with, or arising from, the supply, transport or use of this organic material.

Council strongly recommends the use of Personal Protective Equipment when handling this material including heavy duty gloves, long sleeved shirt and pants, safety glasses and dust mask or other respiratory aids.

The recipient of the organic material has satisfied him/herself of the risks associated with the transport and use of the organic material and the need for adequate personal protection and controls and the suitability of the organic material for the intended purpose.

(Tear off)

I, _____ of _____
Name Address

have read and understand the above information regarding the taking of organic material from the Wattle Range Council and accept that I do so at my own risk.
