

Red Gum & Winery Ride

See the amazing landscape of Penola on a bike. From beautiful red gums to the vineyards of the world famous Coonawarra wine region, this ride takes cyclists on a casual and relaxing route using quiet back roads. Stop by at the various wineries for wine tasting.

Grade : Moderate Ride on unsealed roads

Return Trip : 22 kilometres

Toilets : At wineries

All cyclists should carry ample water and energy snacks

Avenue of Red Gums on the approach to Penola

Yallum Park Ride

Yallum Park is a magnificent two storey homestead built by John Riddoch in 1880. It is said to be one of the best preserved Victorian Houses in Australia. Conducted tours are available by prior arrangement through the local tourist office. Pick up a picnic hamper from Penola before heading out. The ride takes you past grazing land to a grand tree-lined entrance to the house. The route uses the Millicent Road (sealed) and expect high speed traffic and the occasional large semi trailer.

Grade : Moderate Ride

(Recommended for the experienced cyclist)

Return trip : 16km

Toilets : At Yallum Park

We recommend that you ride in single file

All cyclists should carry ample water and energy snacks

"Castor and Pollux" - bronze stallions at Rymill Winery
Named after the twin sons of Zeus & Leda.
Castor & Pollux are the patron deities of equestrians & voyagers.

Kalangadoo & Nangwarry Ride

A scenic ride through contrasting timber forests, red gum country and grazing land. The route partly uses the main road to Millicent and to Mount Gambier so expect high speed traffic and large semi trailers. Stop for refreshments at Kalangadoo or Nangwarry before heading back to Penola.

Grade : Longer Ride

(Recommended only for the experienced cyclist)

Return Trip : 60 kilometres

We recommend that you ride in single file

All cyclists should carry ample water and energy snacks

Bool Lagoon Ride

The most challenging of the rides from Penola. Bool Lagoon is one of the most exciting and diverse wetlands in Australia. Take a self guided tour and view the varied wildlife and habitat. But be prepared for the ride to Bool Lagoon as the distance is long and sheltered stops are generally not available. You will be using some high speed sealed roads and unsealed roads passing grazing land. As an alternative why not drive there with your bikes and enjoy cycling around the lagoon when you get there.

Grade : Very Long Ride

(Recommended only for the experienced cyclist)

Return trip : 100 kilometres

We recommend that you ride in single file

All cyclists should carry ample water and energy snacks
