

# YOUR COUNCIL *update*

## Welcome to the November issue of the Wattle Range Council Newsletter

The aim of this newsletter is to keep residents informed of Council's key activities and any strategic decisions made that may affect our local communities. Additional information on Council's activities can be found on our website [www.wattlerange.sa.gov.au](http://www.wattlerange.sa.gov.au) and our Facebook page [www.facebook.com/wattlerangecouncil](https://www.facebook.com/wattlerangecouncil)

## Mayoral UPDATE

Over the past month the Mayor has represented Council at a range of civic and community meetings and engagements.

This included presenting the 2023 Senior of the Year award to Ken Mountford at the final function of this years' Celebrate Seniors program.

## Community DEPUTATIONS/PETITIONS

At the November meeting, Council heard from Deon Kriek and Janeth MacKenzie of OneFortyOne, who provided an update on the organisation's Forest Management System and Environmental Management practices.

Council also heard from Elders Area Manager, Scott Altschwager who shared his thoughts on the operation of the Millicent Stock Transfer Yards.

Finally, Millicent resident Tamara Cockrum and her son Chad spoke to the members, pleading the importance of the Millicent Swimming Lake to the wider community.

## Key PROJECTS

There are 60 capital works projects listed for the 2023/24 financial year, with a total value of \$10.78 Million.

As at October 31, 12% of these projects had been completed, 23% were in the process of being delivered and 32% in the procurement phase.

Key project updates include:

- Geotechnical investigations were undertaken at the Millicent Swimming Lake at the end of October and the aquatic engineers are in the process of preparing their report, with detailed scope, for the reconstruction of the lake.
- Induction and accreditation documentation for the Millicent Saleyards Stock Transfer Facility has been developed and trialled with a small group of stakeholders. Induction of users will be facilitated by Council's Operations department. Asbestos has been removed from the former canteen and weighbridge buildings.
- The flooring in the new Millicent Depot Shed is now complete and work is being done on the upstairs office.
- Quotations are being sought for work on the proposed fire wall at the rear of the Beachport Museum. Planning approval has been issued and final building assessment currently underway.
- The drainage project on South Terrace, Beachport is now complete.
- New external access doors have been installed at the Penola Stadium, providing access to the toilets without entry to the stadium.
  - The new toilets at Greenrise are now complete.
  - Work on female toilet in Arthur Street, Penola has begun.
  - Detailed plans for the upgrade of the Beachport Recreation Hall carpark are now finalised and a request for tender is being prepared.
