

# **GENERAL INDUCTION FOR VISITORS**

## **CONDITIONS OF ENTRY - NYL STAFF WILL CONDUCT SAFETY BRIEFS ON YOUR ARRIVAL.**

- All activities here may pose some type of risk if they are not conducted in a safe manner. All instructions for activities will be given to ensure your participants safety. Please listen to those instructions at all times.

## **CLOTHING & HAIR**

- All participants need to adhere to the following for safety and ethical purposes.
- Footwear must be fully enclosed, no thongs, sandal or open toe shoes of any type.
- Long hair has to be tied back, as low as possible on the back of the head for fitting of climbing helmets.
- General sports clothing or adventure based clothing is best, tight fashion items restricting movement are not to be worn, loose clothing has to be able to be secured for fitting of harnesses.
- It is requested for ethical reasons that skirts are not worn, including sporting versions, this leaves instructors and participants in a difficult position during climbing activities.

## **FIRST AID & EMERGENCIES**

- The location of First Aid Kits and AED are in the Front Foyer. A spinal board and first aid kits are located at the High Ropes Area shed. More first aid kits are located in the accommodation ATCO hut. We will always have a Senior First Aider on site.
- In case of a medical emergency contact 000.
- Emergency assembly points are located in the Carpark and outside the Administrative Building. If there is an emergency, stay with your group leaders and make your way to an emergency assembly point.

## **ENVIRONMENT**

- The toilets, handwashing facilities and showers are located in the large green gymnasium, there are female, male and disabled toilets.
- Stay away from all cliffs and caves unless you are with a group leader and have been informed that you may be near them. If you are found to be disobeying this rule, you will be asked to leave the site.
- Do not climb on, walk on, run on or stand on any activity unless you have been told to do so. If you disobey this rule, you may be removed from the site.
- NYL is a shared environment with local wildlife. We have snakes present on site and therefore have snake bite kits located in the first aid kits.
- Please place your rubbish into the bins provided and any empty bottles or cans into the wire mesh bins provided. Please do not leave your wrappers on the ground or leave any rubbish behind.
- In case of a fire, there are fire hydrants and extinguishers located in the Main Foyer, Outdoor BBQ area and the ATCO hut.
