Glencoe town map

## Executive summary

Glencoe has emerged from its earliest development not as a town, but as two localities. There are two town settlements, known as Glencoe and Glencoe West. Glencoe is unique in that it has never had a cemetery, nor a hotel. In 1917 when an early move was made to establish a hotel in Glencoe, the outcome was decided by a poll, 34 in favour and 149 against.

Glencoe has a strong farming heritage, being the centre of the original massive Glencoe Station which then, over time, became broken down into hundreds of small, highly productive farms.

The Glencoe Central School, opened in 1972, was an amalgamation of the Glencoe and Glencoe West schools. The kindergarten is also located on the school site. There is a Progress Association and the Glencoe Football, Netball, Cricket, Indoor Bowls and Tennis Clubs are very active. The Post Office and General Store (Country Post & Bistro) is operating and the Glencoe Hall is often used. A regular and enduring destination for visitors is the Leake Brothers Glencoe Woolshed. Lake Edward and Lake Leake are popular visitor destinations as well.

Glencoe offers a wonderful rural lifestyle with many small landholders situated throughout the district. There are dairy farms, cattle, sheep and horse studs, seasonal potato growing, significant forestry plantations and a radiata pine nursery in the surrounding area.

## The History of Glencoe

The Glencoe area was originally occupied by the proud Boandik people and evidence of their occupation can still be detected by the very observant. They lived efficiently within their surroundings and maintained the environment and bushland as it suited them.

This all changed in 1844. The colonial occupation of Glencoe, in fact the southern Limestone Coast area, was marked by the arrival of Robert Leake in January 1844 and his overseer John McIntyre. With 15 men they drove 7,000 sheep from the Adelaide hills and eventually stopped to settle at a beautiful lake they named Lake Leake. Robert Leake named their station Glencoe after the Glencoe region which John McIntyre was familiar with in Scotland. This is recorded as the first settlement that was established in the region. Robert's brother, Edward, came from Tasmania to also locate in the area. Originally their holdings consisted of 90,000 acres. Robert died in 1860, and Edward took over the lead role of farmer. When the flock reached 50,000 sheep, Edward decided that a good woolshed was needed and built in 1863 what is now known as the Glencoe Wool Shed, along with substantial shearer quarters. (Later converted to the Glencoe Hall in 1904.)

In 1882 the majority of the Glencoe station was bought by the Riddoch family (50,300 acres). This followed the death of Edward Leake and a period where the family had installed managers to run affairs. In the 1890's the Riddoch's began selling small packages of properties and many small landholders started moving into the area. The first school was established in 1894 and a cheese and butter factory in 1901.

For many years something of a social divide was evident between Glencoe (East) and Glencoe West. Glencoe (East), centred about the Leake Homestead of Frontier House in the early years, comprised of a grouping of many small houses, principally of the folk employed to work on Glencoe Station. Residents of Glencoe West were mainly small landowners who worked for themselves and developed their own farms. Although residents of Glencoe (East) might have a few stock of their own, residents at Glencoe West had bought larger farms and so ran larger flocks.

The Mount Gambier railway was extended to Glencoe in 1904 to service the cheese factory, and it was subsequently closed in the 1950s when the main line was changed from narrow to broad

gauge. In early days Glencoe had a bakery, a hardware store, a mechanical workshop, two cheese factories, two halls, two post offices, two saw mills, two shops, two schools and four churches. For a period of time following settlement, and up until World War II, a gun club functioned with strong popular support.

Horse racing had a popular following in the district for a number of years, generally at the close of the shearing season, and the Glencoe Racing club was formed to organise the sport in 1909. The start of the 20<sup>th</sup> century marked the formation of many sporting events and organisations, with Glencoe having very good representation in many district competitions. The combining of two schools into one, along with the opening of the Glencoe Football Clubrooms in 1973, were two events that did much to combine the two Glencoe settlements into one community.

## Glencoe Today

The name “Glencoe”, introduced by John McIntyre, has Scottish heritage, from “Glen” meaning Valley, and “Coe” meaning View i.e. A Valley View. The name came to mind when John and Robert Leake first stood looking over the lush country side from a small outcrop (soon to be named Mount McIntyre). Many of the property names in Glencoe have some formation from these Scottish terms. Glencoe maintains green pastures approx. ten months of the year, providing an abundance of feed for stock & crops for harvest.

Glencoe has a highly active sporting community with many residents having participated in the clubs as children, and now seeing their own children as active members. Sporting clubs include: Glencoe Football Club; Glencoe Netball Club; Glencoe Tennis Club; Glencoe Cricket Club; Trail Riding and Rowing Clubs, and Indoor Bowling in the original Glencoe East Primary School. Located on Kirip Road is the local Kindergarten and School. A variety of programs are offered to suit 2-5 years olds at Glencoe Kindergarten and Reception to year 7 at Glencoe Central Primary School. Education in Glencoe is highly valued, with a large focus on providing students with not only government-based educations, but also education that encompasses the local businesses, local and state competitions in both sporting and academia, and producing above average results for individuals who undertake the NAPLAN testing.

The Country Post & Bistro shop is a hub of activity, providing a social meeting point with a community notice board and an active community Facebook page is in use.

The Glencoe Hall and also the Sporting Complex function as excellent venues for conducting both indoor and outdoor meetings, social gatherings and community functions, and provide additional notice boards for communication.

In addition, Glencoe organisations include the Progress Association, Hall Committee, local National Trust Branch who manage the Historic Glencoe Woolshed and an active CFS brigade.

While many sights are known, Glencoe has some hidden gems amongst the community and area including; Native Wells (Indigenous Baths), Wombat falls, Prisoner of War camp, War Memorial (- used actively in ANZAC Day March), The Old Woolwash, Honan Trails, Kanawinka Trail, Mt Watch Quarry and Native Orchids.

## School Students thoughts on Glencoe

This is a summary of thoughts Glencoe Central Primary School students have shared on “*What they like about Glencoe*”:

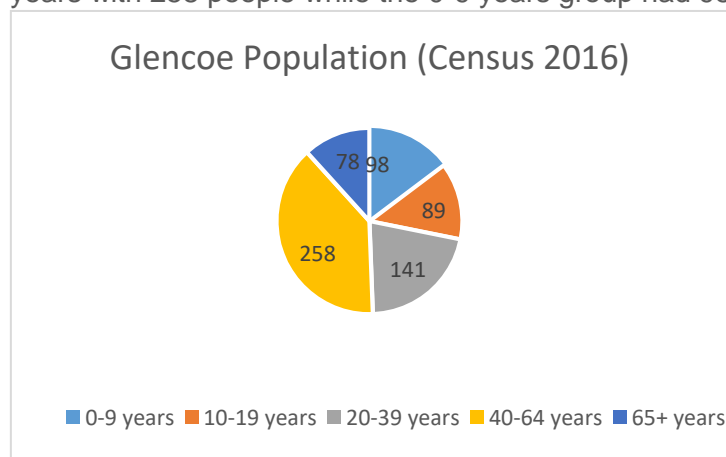

- The space – no close neighbours
- Open countryside

- Lots of native and farming animals
- Recreational shooting
- No traffic
- Native forest to explore
- Close sporting complex
- Everyone knows everyone
- Local school and education
- Beautiful and peaceful place
- Good community

## Population and Employment

According to the 2016 Census Glencoe had 664 people with 52% male and 48% female. There are 182 families with a median age of 40 years. The dominant population age group is 40-65 years with 258 people while the 0-9 years group had 98 people (see chart below).

The 2016 employment data provided relates to people over 15 years, there are 197 full time employees, 112 people who are part time, 16 are away from work and 18 are unemployed. The top five occupations are manager (56), tech and trade workers (46), According to the 2016 Census Glencoe had 664 people with 52% male and 48% female. There are 182 families with a median age of 40 years. The dominant population age group is 40-65 years with 258 people while the 0-9 years group had 98 people (see chart below)

professionals (42), machinery operators/ drivers (39) and clerical/administration (33). The data for level of highest educational attainment, 10% of the population over 15 years had a bachelor degree level and above (50 people), 6.8% had advanced diploma and diploma level (34 people), 4.2 % had certificate level IV (21 people), 20.4% had certificate III (102 people) while 11% had year 12, 10.4% had year 11 and 13.4% had year 10 level.

Glencoe respondents aged 15 years and over indicated they were employed in the following industries: 8.7% dairy cattle farming, 7% primary education, 5.7% road freight transport, 4.3% aged care residential services and 3.5% in forestry.

## Community, Sport and Education

### Glencoe Hall

The Hall was originally part of the Men's quarters of the Glencoe Shearing Shed. It is now a meeting place for a variety of community organisations. The grounds are the venue for the Glencoe Social Trail Riding Club activities. The Anzac memorial is sited in this property. Glencoe had supplied many enlistments for both the World Wars, and an annual memorial service is conducted on ANZAC day.

## Glencoe Woolshed

The Leake Brothers National Trust Woolshed is one of the largest woolsheds in Australia. It was never converted to a mechanised shearing shed, and so it is still in its original condition. The Wool Shed is historically listed. Visitors can obtain admission via a fee at the Country Bistro. Bookings for events can also be made via the Country Post & Bistro or by email.

This fine building has hand adzed, cathedral like, arched blackwood beams, with supporting posts of pit sawn blackwood. The roof timbers were laid on the ground and marked with Roman numerals to assist in their assembly. The doors of the catching pens were originally pivoted on an English penny and were closed with a weighted cord. No overhead shearing plant has ever been installed in this shed with blade shearing being the method still used. In its heyday there were 38 shearers supported by roustabouts, wool classers and shed hands. The most sheep shorn in one year was 53 000 when they shored 2,000 per day and employed an extra 100 men.

## Keelap Glade

Keelap Glade has been developed with barbeques, table, chairs, a BMX track and a small playground. It was named after a cheese, which was made at the Glencoe Cheese Cooperative. The cheese was named after the word Keelap, which was the name given to the small waterhole between the East Factory and the Glencoe Hall.

## Lake Edward

Lake Edward has a recently developed walking trail (developed in conjunction with the Green Corp) which includes bird hides, lookouts, picnic areas, a landing and car parking. Set amongst blue gum plantations, pine forests and revegetated areas, Lake Edward is a popular recreational lake, named after early pioneering settler, Edward Leake. Fishing is permitted at the lake. When it comes to boating, only non-powered vessels are permitted. The lake is home to a range of interesting plants and animals and the revegetated areas are home to the Buff-banded Rail. The trail opens up to panoramic views of the lake and its surrounds. When arriving at the boardwalk you may glimpse the elusive Sword-grass Brown Butterfly that can be seen from November to February.

## Lake Leake

Lake Leake is open to the public all year round. Fishing, boating, windsurfing, power boating and water skiing are permitted. There are boat launching facilities, and it is looked after by the Glencoe Progress Association. Toilets and sheltered picnic facilities are also provided. Club rooms are available for hire by contacting the Glencoe Progress Association.

Once a year the facility is utilised by the Mount Gambier Model Aircraft Club in May for an event.

## Limestone Coast Rowing

The Club will be rowing every Sunday from 10:00am until 1:00pm at Lake Leake, Glencoe. The rowing season starts in October through to March. The season opening at Lake Leake commences with a BBQ for whoever wishes to attend. There are no fees for those just wanting to have a go. Membership forms are available if you would like to join the club, or you can complete the online form.

## Glencoe CFS

The town's Country Fire Service (CFS) recently celebrated 101 years in January 2018 since its beginning in 1917.

Training occurs each week on a Wednesday. The brigade responds to natural disasters (storm damage/flooding); fires other (car, rubbish and other fires); fires rural (grass fires & bush fires); structural fires (house, factory & shed fires).

It has a variety of specialist equipment including breathing apparatus, chain saw, firefighting foam and quick fill pump. The response area includes agricultural crops, plantation forest, grasslands, national parks; rural area, bushland/scrub; towns and urban areas.

## Glencoe Social Trail Riding Club

Glencoe Social Trail Riding Club have been sharing great times in the saddle, twice a month, every month since 1995. They enjoy planned days of Trail Training, with a goal of encouraging better understanding of horse - human relationships and to enjoy the great outdoors.

Activities involve trails on the 1st Sunday of every month and instruction on better riding and safer practices on the 3rd Sunday of every month. Everyone is welcome to attend.

## Glencoe Football & Netball Clubs

The Glencoe Football Club commenced operation as both a football and gymnasium club "The Glencoe Juniors," with the earliest record of existence being the minutes of a meeting held on the 5<sup>th</sup> April 1910.

The original colours of the club were red, white and blue, but these were changed

in 1912 to maroon & gold in a horizontal stripe jumper design, rather than the more familiar Glencoe Football Club jumper design carrying a gold 'V' on a maroon background.

On the 28<sup>th</sup> June 1913, the gymnasium club was dissolved which left the football club to function on its own as the Glencoe Junior Football Club. At the Annual General Meeting held in 1920, the name of the club was changed to the Glencoe Football Club.

Prior to 1927 when a permanent home ground was established at the Glencoe East Show Grounds, the location and frequency of matches varied. In that year, the football club joined the Mount Gambier B Grade Association which later became the South Eastern B Grade Association in 1929.

In 1936 the Mid-South Eastern Football League was formed with the Glencoe Football Club being a founding member. In 1940, the football club relocated to its current home on Kirip Road and continued to develop and prosper in the decades that followed with a particular milestone being the construction of the current club room complex which was officially opened on 22<sup>nd</sup> July 1973.

Further major improvements to facilities occurred in 2014 when the booth and viewing area at the oval was upgraded and in 2018 when the existing change rooms were extended and fully refurbished. A new electronic scoreboard and new goal posts were also installed at the oval in 2018.

The Glencoe Football Club has both a proud history and an exciting future as an essential community hub and one of the most successful and professional clubs in the Mid-South East Football League.

2018 saw the introduction of a female Glencoe “Allstars” football team into the regional AFLW football competition.

The Netball club was one of the first clubs to become a ‘Recognised STARCLUB’ in September 2015.

The football and netball clubs are a hive of activity throughout the year with quiz nights, presentations and training nights.

## Glencoe Cricket Club

The Glencoe Cricket club is a strong and successful club. It is active in a number of programs and competitions including the In2Cricket, Junior and Senior competition and Strikers Girls Cricket program.

## Glencoe Indoor Bowls Club Inc.

The Indoor Bowls activities are held in the building located on the corner of Glencoe and Lake Edward Roads – the playing season from April to September. New members most welcome. All enquiries to:

Nick Hahn 0409 316 140 - Robyn Taylor 0419 859 419.

## Glencoe Tennis Club

In 1966 the Glencoe East and West Tennis Clubs amalgamated to form The Glencoe Tennis Club. The East club courts were located near the general store, between the old bakery and the hall, while the West courts are where tennis is currently played. Junior teams commenced in the 1980's.

Four limestone courts were laid in 1981 at the Glencoe Sports Ground taking the total to six. During the 1990/91 season the original two courts were renewed with a cement surface. A new clubhouse was constructed in 1995 that is shared with the Glencoe Netball Club.

The Glencoe Tennis Club is a strong and well managed club. We have the largest tennis membership base and one of only a few functioning clubs in the Wattle Range Council region.

The club is currently seeking grant funding to up-grade the court surfaces and fencing to provide a higher quality facility for members and the community in general.

## Glencoe Central Primary School

The Glencoe Primary School's mission is to provide a high-quality learning environment based around the school values of Confidence, Respect, Responsibility and Doing Your Best. It promotes optimism, resilience and quality relationships between students, staff, parents and the wider community. The school features an eco-garden, ICT program, LAP program, Indonesian language and a music program. Sport plays a major role both in the school and community. The physical education program includes swimming lessons, sports day, visiting sports program and participation in the Footsteps Dance program.

## Glencoe Kindergarten

Glencoe Kindy is a place that celebrates childhood as a time of joy, discovery and spontaneous exploration. Our centre offers a number of integrated programs to cater for our local community

including preschool, occasional care and a supported playgroup. Our programs are play based and provide children with meaningful experiences that promote the development of social, emotional, language, intellectual, creative and physical skills. As educators we aim to create a caring, safe and stimulating environment that will nurture your child's disposition to wonder, explore and construct meaning about the world.

As the Glencoe Kindergarten is co-located with the Glencoe Central Primary School they have a strong connection, often combining together for celebrations, exploration and friendship.

Other local groups include:

- CWA (Meet with the Mt Gambier Branch)
- Glencoe Craft Group
- South East Field and Game

## Why the need for a Town Plan?

The idea of a *Glencoe Community Town Plan* arose out of initial general discussions between Wattle Range Council staff and the Glencoe Sport and Progress Association. Essentially, the *Glencoe Community Town Plan* provides:

- An opportunity to articulate the issues that are important to Glencoe based residents;
- A clear blueprint for the future development of the Glencoe township and the surrounding region;
- A basis to attract local, state, and potentially, federal funding to help achieve identified community priorities and projects;
- A more coordinated approach for the social, cultural and economic development of the township and surrounding enterprises.

An opportunity to enhance the reputation of Glencoe as a tourism destination.

## Vision Statement

Glencoe residents enjoy living in a supportive community with a strong sporting culture. Residents recognise that it is a great place to live and are happy to share this news with anyone who will listen.

Many residents are conscious of maintaining and improving services, communal facilities and personal property appearances. It is hoped that these elements might continue to grow and characterise this unique part of Australia.

# What Makes Glencoe unique?

The key words which provided by the community about what makes Glencoe unique has been displayed in the Wordle below:

Here is a list of key words that the community says makes Glencoe unique

Aboriginal-History	Lake-Leake,	Tarqua-Lagoon
Abundant-Birdlife	Leake-Brothers-Woolshed	Timber-
Artists	Musicians	Cutting
Beautiful-Lakes	National-Trust-Branch	Tourism

## Location

Glencoe is a vibrant rural community which is centrally located in the Limestone Coast of South Australia (approximately 20 to 25-minute drive) from the main population centres of Mount Gambier, Millicent and Penola.

## Products and Services

- Agricultural services
- Bed & Breakfast
- Beef farming
- Boarding kennels – Cat and Dog
- Bottle Gas and Fuel sales
- Cabinet work
- Glencoe CFS
- Dairying
- Forestry and Pine Nursery
- Fruit trees
- Café and General Store
- Glencoe & District Kindergarten
- Glencoe Central Primary School
- Glencoe Football & Netball Club
- Glencoe Hall
- Glencoe Playground
- Glencoe Woolshed
- Greyhound training
- Horse training
- Horticulture- potatoes
- Livestock grazing
- Native Nursery
- Pine Tank Dive Lodge
- Post Office
- Sheep & lambs
- Transport – Livestock
- Viticulture

## Who do we need to attract to Glencoe?

We need to attract to Glencoe and surrounds:

- Families
- Retirees
- Businesses / Investors
- Tourism enterprises
- Recreational divers
- Industry
- Events/festivals

Volunteers to assist with sport & recreational clubs.

# Marketing & Promotion

At present there is a social media presence from:

- Glencoe Football Netball Club
- Glencoe Central Primary School
- Glencoe West South Australia
- Glencoe Tennis Club
- Glencoe Woolshed
- Glencoe Cricket Club
- Glencoe Community notice board
- Glencoe Organic Backyard Produce and Plant Swap
- Country Post and Bistro
- Glencoe Tennis Courts

At present there are websites:

- Glencoe CFS
- Glencoe primary School
- Glencoe social trail riding club
- Glencoe Woolshed
- Little Yakka B&B
- Rowing club

Businesses Types in Glencoe

- Accommodation
- Boarding kennels
- Cabinet making
- Cleaning services
- Computing repairs and maintenance
- Post Office
- Cafe and Bottle Shop
- Gas Bottle and Fuel Distribution
- Electrical contractor
- Horse and greyhound trainers
- Mechanics
- Plumbing contractor
- Shearing and fencing contractors
- Various stud farms

## Business services in Glencoe

- Benlargo Holsteins
- Beyond the Forest Gate Aromatherapy & Massage
- Camilles Hair and Beauty (lives in Glencoe but is based in mount gambier).
- Chris Coutts Tiling
- Country Post and Bistro
- Craig Mallon Fencing
- Daniel Harvey Slashing
- Efficiency Scanning – Sheep Pregnancy Testing
- Glencoe AU Scottish Highlands Cattle
- Glenlonny Beef
- Gordie and Hazel Rigby Computing
- Helga's Cleaning and Decluttering
- John Flett Electrician
- K9 Essentials
- KS & LH Von Duve Plumbing
- K-Tack
- Limestone Coast Cabinets
- Little Yakka B & B
- Majardah - Poll Dorset Stud and White Suffolk Stud
- Phil & Deb's Garden Care Plus
- Russells Repairs
- South East Fitouts
- South East Stump Grinding
- Squib Group
- TD Earl Agricultural Contracting
- TP & FL Dow

## Current Projects Underway:

### *Glencoe Directory*

As with previous years, a new directory is currently being developed to include residential and business information in the Glencoe Area. The listing pages are at Country Post and Bistro for individuals to list their details and opt in/or out for an online listing. In keeping with previous years, it is expected the new directory – to be released in January 2020 with run for 5 years.

### *Glencoe Facebook Page*

A current Glencoe Facebook page is up and running. The Facebook page is used to highlight the sights of Glencoe and promote events.

### *Glencoe Website*

Currently being developed, the website will be available by January 2020. The Website will be an extension of the Directory and Facebook page.

### *Wattle Range Scenic Tour/drive*

Working in collaboration with other small towns and the local council, a scenic tour is being developed to highlight the sights of small towns including, but not limited to; Glencoe, Kalangadoo, Tantanoola, Furner and Mount Burr. The idea that the scenic tour/drive would highlight the features of each town including sights and services. Essentially putting these towns on the 'must see' places when visiting the Limestone Coast.

## Appendix

### Glencoe Projects

Time Line: A = 1-2 years B= 3-4 years C=5-8 years D= 9-12 years E=13-17 F= 17-20 years

### Look and Feel of Glencoe

Time Line	Project	Working Groups	Other Comments
B	Roadside plantings at main street centre and avenues leading into Glencoe	Community & Council	<i>In conjunction with Council. Has been tried before but plantings died.</i>
A	Walking trails	Community engagement.	<i>Done by Forestry SA – upgrades needed.</i>

A	Playground at Sporting facilities	Sportsground committee	<i>In conjunction with Council and grants funding for more general 'play equipment'</i>
A	Fish at Lake Leake - restock	Progress Ass & PIRSA	
B	Extra lighting at roadside entry area- Football Club	Football Club & Council	<i>In conjunction with Council</i>
A	Wi Fi connectivity Coverage	Council	
B	Public Hall maintenance & Beautification	Progress Association & Hall committee	
A	Memorial Wall	Progress Association & Council	
A	Soundscape & Information App Leake Brothers Woolshed	National Trust	
A	Leake Brothers History – book	National Trust	
B	Consider Public toilets with Disability access	Council	<i>One currently exists at the sports ground but is not open all times.</i>

## Social Media and Glencoe Advertising & Promotion

Time Line	Project	Working Groups	Other Comments
A	Glencoe website – community project	School Info Tech	<i>Ongoing</i>
A	Glencoe community site	Existing	
B	Woolshed brochures	National Trust Branch	<i>Ongoing</i>
B	Photographic Competition	National Trust Branch	

## Glencoe Celebrations & Events

Time Line	Project	Working Groups	Other Comments
A	Equestrian Events	Community	<i>Opportunities exist</i>
B	Old world skills	National Trust Branch	<i>Blade shearing training</i>
A	Anzac Day	Progress Association /Hall Committee	<i>Current and continue.</i>
A	Christmas Celebrations	Sports Ground Committee	
B	Glencoe Cup – Trotting Meet	Harness Race Club	<i>Held in Mount Gambier annually.</i>
A	Bladesmith/Blades Shearing/Arts & crafts/ Leatherwork crafts	National Trust Branch	
A	Woolshed – music sessions	National Trust Branch	<i>Current – continue and expand.</i>
A	Photographic Competition	National Trust Branch	
A	New Year's Eve Party	Community	

## Glencoe Assets & Infrastructure

Time Line	Project	Working Groups	Other Comments
C	New roof & floor in bowling club hall	Bowling club	<i>DECS Property – funded to \$14,000 by DECS.</i>
C	Rail trail project	Community	
B	Bike lane in the most direct way from Glencoe to Glencoe West and to continue the program of bike lanes	Council & Bike SA	<i>Ongoing consideration.</i>
A	Upgrade fence and tennis court surface	Tennis Club and grants.	
A	Lighting upgrade at Keelap for playground & CFS Shed	Council	
B	Upgraded public toilet at Woolshed – lighting and locks	National Trust Branch & Council	<i>Disability Access</i>
B	Upgraded public toilet at Lake Leake – lighting and locks	Progress Association & Council	<i>Disability Access</i>
A	Complete Wilsons Lane Road - bitumen	Council	
A	Mile Hill & Kangaroo Flat Roads remake	DPTI	
A/B	Review signage into Glencoe	Council	<i>Council tourism staff to undertake in 2021.</i>
B	Consider the possibility of bike lanes on key roads used by cyclist's (ie) Mile Hill Road.	DPTI – Council – Grant funding.	
A	Memorial Wall to accommodate a range of plaques at the Glencoe Soldiers memorial	Council & Progress Association	
A	Improve street lighting on roads	Council	<i>In the area of the entry to the Sportsground.</i>
B	Solar installation at Lake Leake for lighting and power.	Lake Leake committee/progress association – grant funding. Council	
A	Crossing/Walkway at school to provide a safe walking space for students to cross the roads	Council/Road Transport	
C	Arts installations to represent Glencoe located near the shop/hall/woolshed	Community	
B	More Seating at Playground and lighting	Council	

B	Improved Internet Services across the area	Council	
A	Improved car parking at the local school. Current carparking is insufficient and unsafe for the Families and children using the school for pick and drop off	Road Transport/Education Department/Council	
A	Road Crossing at School, currently no safe spot for children to cross the road, Zebra crossing or similar to be considered. Needed as soon as possible with signage to 'stop when children are present' or similar.	Road Transport/Education/ DECS/Council	
A	Lake Leake and Lake Edward Signage on how to get there/sign directions on road.  From Kangaroo Flat Road – Glencoe Township – Overland Track and Glencoe West.	Community/Council	

## Glencoe Community Projects

Time Line	Project	Working Groups	Other Comments
A	Welcome packs	Progress Association/Community
