## Beachport Conservation Park

## Lake George

SOUTHEND	20km
MILLICENT	38km
ROBE	48km
ADELAIDE	393km

## Millicent Road

The artwork celebrates what is special about Beachport – The natural environment - The fishing industry – The people who live here.

Woakwine Cutting  
12km north of Beachport  
on the Southern Ports Highway

As Australia's biggest one-man engineering feat, Woakwine Cutting was created to drain swampland for pastoral use. A viewing platform and picnic area has been established at the head of the cutting. The project is documented for all visitors to read.

## Durant's Lookout South West Terrace

Durant's Lookout provides spectacular views of the township of Beachport, Rivoli Bay, Beachport Conservation Park and the Southern Ocean. The Rivoli Bay and Beachport Lions Club members built the raised platform on the site and it was named for the late Mr Doug Durant, a long time resident of Beachport (car access only).

## Pool of Siloam (Salt Lake)

Bowman Scenic Drive

A salt lake almost seven times saltier than the sea which is reputed to relieve sufferers of arthritis and rheumatism. The high salt concentration in the water makes swimming very easy, as the water is extremely buoyant. A safe and sheltered swimming area with picnic area, change rooms and summer shower.

## Bowman Scenic Drive

Scenic drive following the spectacular rugged coast of the Southern Ocean. Great for a leisurely walk along the beach, scuba diving, surf fishing or looking at the sea from one of the many lookouts. Please Note: there are dangerous undertows in the waters along these beaches. Take care.

## Beachport Jetty

**Beach Road**  
The second longest jetty  
in South Australia at  
772m long.

## Beachport Boatyard

June to September view  
approx. 50 fishing vessels from
