Pursuant to Section 152 of the Local Government Act 1999, the following rateable land is:-

- farm land:
- farmed as a single enterprise; and
- is occupied by the same (person)s

Occupation of the property is crucial to determining whether a Single Farm Enterprise will exist.

If there are two or more parcels of land and on one of them is a house that is occupied by somebody not connected with running the farm that parcel of land should not be included in the Single Farm Enterprise. However houses occupied by a manager, sharefarmers, and workman will not disqualify properties from being identified as Single Farm Enterprises. I hereby make application to the Wattle Range Council for the properties listed below to be rated as a “single farm enterprise” and to have the number of fixed charges reduced to one fixed charge.

All applications received prior to 31 December will be assessed for the current financial year. All those received after this date will be assessed and be effective as of 1 July the next year.
